GLOBAL INFORMATION FOR QUESTION BANKS	• **Note on Deleted Questions.** While we attempted to avoid deleting assessment questions so as not to disrupt existing users, at times it is unavoidable. In these cases, the deleted question will remain in your assignment if previously assigned, but is no longer supported by McGraw Hill and won't receive future updates or corrections. We have called out the specific questions that have been deleted in these release notes, but the choice to remove the question from your existing assignments is yours. • **New Accessibility Filter**. Experience a simpler way to be mindful of accessibility as you create question bank assignments. New filter options make it easy to ensure all questions in your assignment work well with screen readers; can be used with keyboard only; have accessible audio, video, and images; and more. Use the "Screen Reader/Keyboard/CC" filter to find only accessible questions and the "Screen Reader/Keyboard/CC/AD-Vids described" filter to find accessible questions that also come with text descriptions of any videos that are included.
READING/ADAPTIVE CONTENT – eBook, SmartBook, Print	
LOCATION OF UPDATED CONTENT IN CONNECT	eBook on Connect home page AND Assignments tab > Add Assignment > Reading Assignment & SmartBook 2.0
Chapter	**Content Changes**
	Immersive Brain Program: 5-8 new 3D brain models embedded within eBook and SmartBook.

GENERAL NOTES	
Accessibility	McGraw Hill is committed to aligning our digital solutions to WCAG AA standards. Our Voluntary Product Accessibility Templates (VPATs) are available upon request. Any additional questions related to the accessibility of a product can be directed to your Learning Technology Representative, or you may contact us at accessibility@mheducation.com
Implementation and Training Support	Your dedicated McGraw Hill Customer Success Teams can help you update your course and assignments and set policies. Need help with reports or adjusting your course to improve outcomes? No problem, they can help with that too! Have your rep introduce you to your Customer Success Representative or use the link below to schedule your personal 1-to-1 Course Consultation. https://mheimplementationteam2.as.me/schedule.php
Tech Support	Don't become tech support. Ask students to call McGraw Hill's CXG support team at 1-800-331-5094 or contact us by visiting http://mpss.mhhe.com/contact.php. They should only come to you with a CXG ticket # in hand so you may follow up. Always make assignments due during tech support hours so students are always able to get their issues resolved before the due date.
LMS Integration	We support LTI-compliant LMSes with Single Sign-On, Deep Linking, and Grade Syncing for the following LMS systems: Blackboard, Brightspace, Canvas, Moodle, Sakai. https://www.mheducation.com/highered/lms-integration.html

Connect Support Tools and Best Practices	Assign a variety of Connect assignments to your students and make their performance part of their final course grade (minimum of 10–15% to encourage student compliance). Visit this link below to see additional student engagement tips. https://www.mheducation.com/highered/support/connect.html
New Connect Updates	A new, streamlined instructor experience is available in Connect. It includes the ability to add additional instructors (and other roles!) to any section, an updated section dashboard with new data visualization, and mobile optimization, with automatic resizing and redistribution of screen space for tablets and smartphones. This experience continues to be improved based on your feedback so let us know how we're doing! Click here to see the most recent updates: https://www.mheducation.com/highered/connect/new-releases.html
Connect Polling Tool	Engage students with the Connect Polling tool, which allows you to discover where your students are in real time. Help them create connections with your course content while gaining valuable insight during lecture, then leverage polling data to deliver personalized instruction when and where it is needed most.
Writing Assignments	Help students improve their conceptual understanding and written communication skills with Writing Assignments. Integrate writing skill development into your course with ease and help your students gain the critical writing skills they need for success now and beyond. Assign, monitor, mark, and provide feedback all in one place. All Connect courses now have Writing Assignments with peer review, originality checker, and grammar checker.* *Engineering, music, and world languages will not have originality or grammar checker due to special characters.
